A large group of high school seniors, approximately 100 students, are posed in a gymnasium. They are arranged in about 10 rows on wooden bleachers. The students are dressed in casual attire, including t-shirts, sweaters, and jeans. The gymnasium floor is visible in the foreground, and the word "DEARBORN" is painted in large, orange, block letters on the wall behind the bleachers. The overall atmosphere is formal yet relaxed, typical of a senior class photo.

DEARBORN

DHS SENIOR

CLASS OF '97

PIONEERS GET IN THE SPIRIT

The weekend started on Friday October 11, 1996 at the bonfire. The night began with the announcing of all sport teams including swimming, basketball, field hockey, and football. As the bonfire died down, so did the spirits of the underclassmen, who once again lost to the senior class in the yell competition.

October 12th started with anxiety and excitement. The day began with the pancake breakfast and then went to the class games. The games included basketball, balloon toss, pie eating, tug of war, and hula hoop. Over all, the sophomores came out on top. The festivities ended with the homecoming parade in which each class contributed a float.

LET THE GAMES BEGIN

THE TRUE PIONEERS PREVAIL

A second quarter adrenaline rush proved to be exactly what DHS needed to pull out a victory. DHS started out slow and shaky, and Ann Arbor Pioneer scored two touchdowns on their first two possessions of the game. When AA Pioneer was driving for their third touchdown, they decided to go for it on fourth and one on their own 30. DHS stopped them short of the first down which built momentum for Dearborn. That started the first of their three touchdown runs, two of which came in the second quarter. DHS entered the locker room at halftime down by one, 14-13. DHS scored a touchdown in the fourth quarter and with a two-point conversion, ended the game 21-14. It was clear that the real Pioneers are in Dearborn!

FRIGHT NIGHT

The WDHS sponsored Halloween Dance took place on November 1, 1996. For as many years as the Halloween Dance has been put on, it is considered without a doubt the best dance of the year.

This dance holds contests for best costumes, make-up and dancers. The music was provided by DJ Lenoard. It has been agreed that the most outrageous costume had to be the four boys in drag. It was a disappointment when the night came to an end. Hopefully the dances to come will be just as chilling as this year's.

1. Dan Kosmowski and Elaine Chrapkiewicz just chillin.
2. Best make-up winners: Matt Dienes and Michelle Fawk, devils in disguise.
3. Candice Worrell looking extravagant.
4. Mike Mosallam, "da-bomb"!

Academics

Principals have many responsibilities. Their main responsibility is to create a good atmosphere for students to learn and teachers to teach. Not only do they deal with students' absences and students' problems, but they do a lot of other things.

The three principals are highly visible. During lunch, they walk around talking to students and help to maintain an orderly atmosphere. After school they are in the halls saying good-bye and are ready to help. Plus, they are always at sporting events and other school-related activities cheering us on!

This is Mr. Guido's second year as principal at Dearborn High School. He loves the students and teachers.

(left) - Mr. Guido is working hard.

(lower left) - Ms. Coebly has a lot of work to do.

(lower right) - Mr. Rockwell is proud to be part of the goodfellows.

This is Ms. Coebly's first year at Dearborn High. She transferred from our high school rival, Edsel Ford. As assistant principal she sure is doing a good job.

Our other assistant principal, Mr. Rockwell, likes to keep the halls in order. He is always there to be your friend and discipline you as necessary.

2 + 2 ='s What?

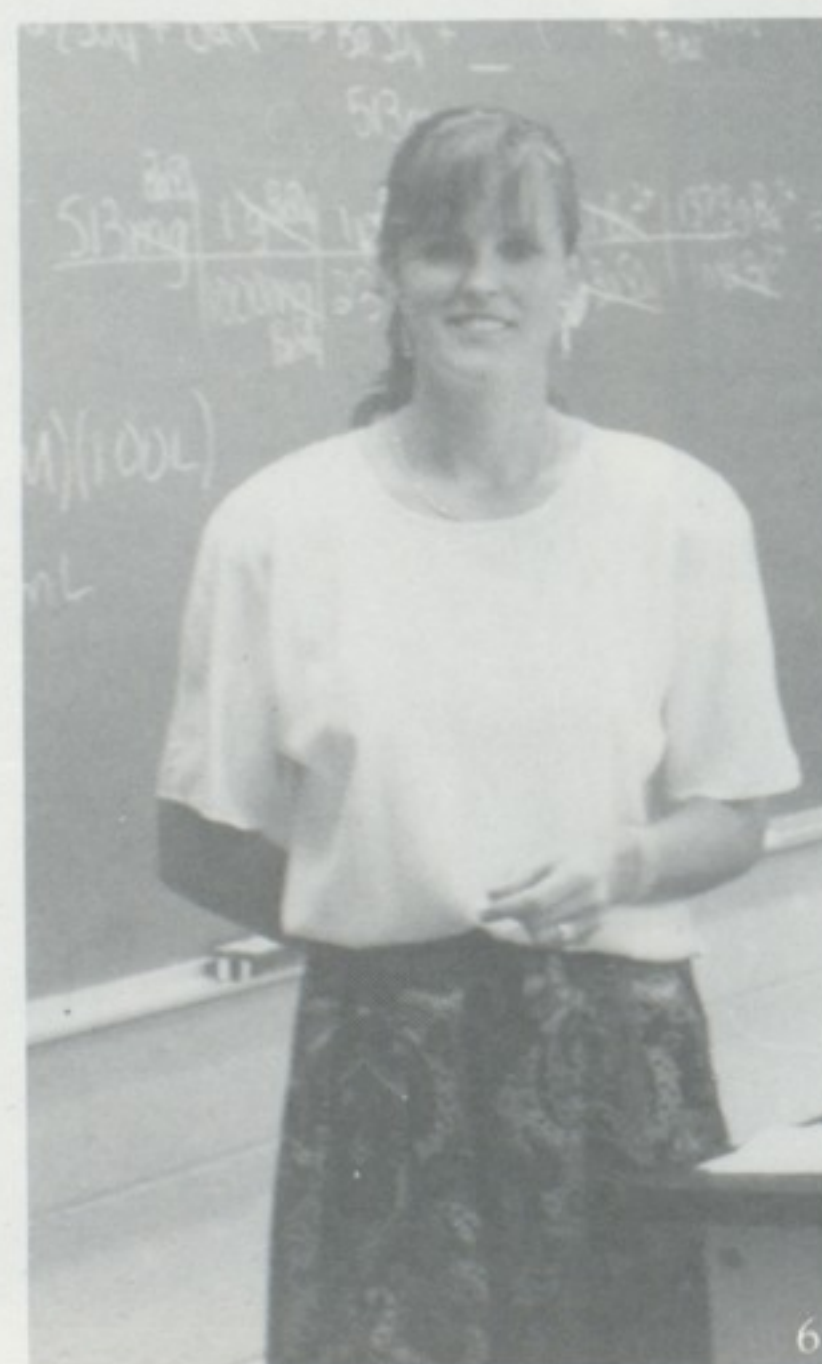

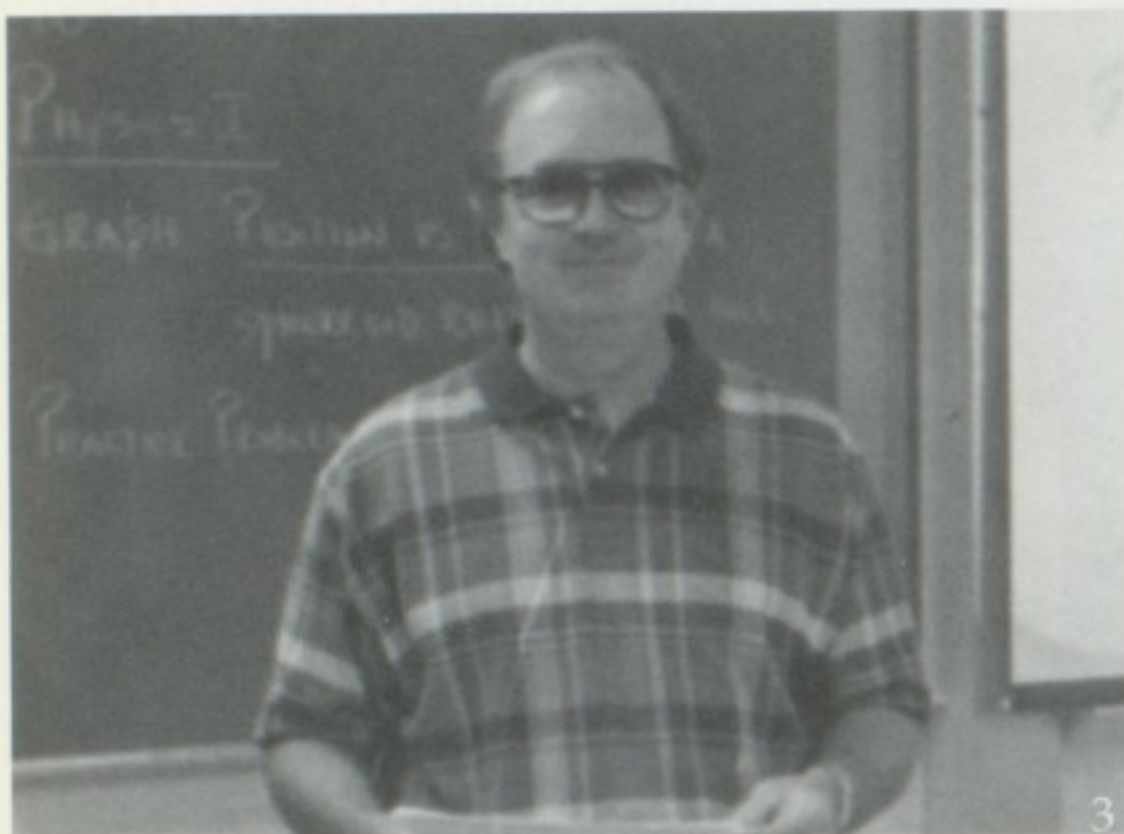

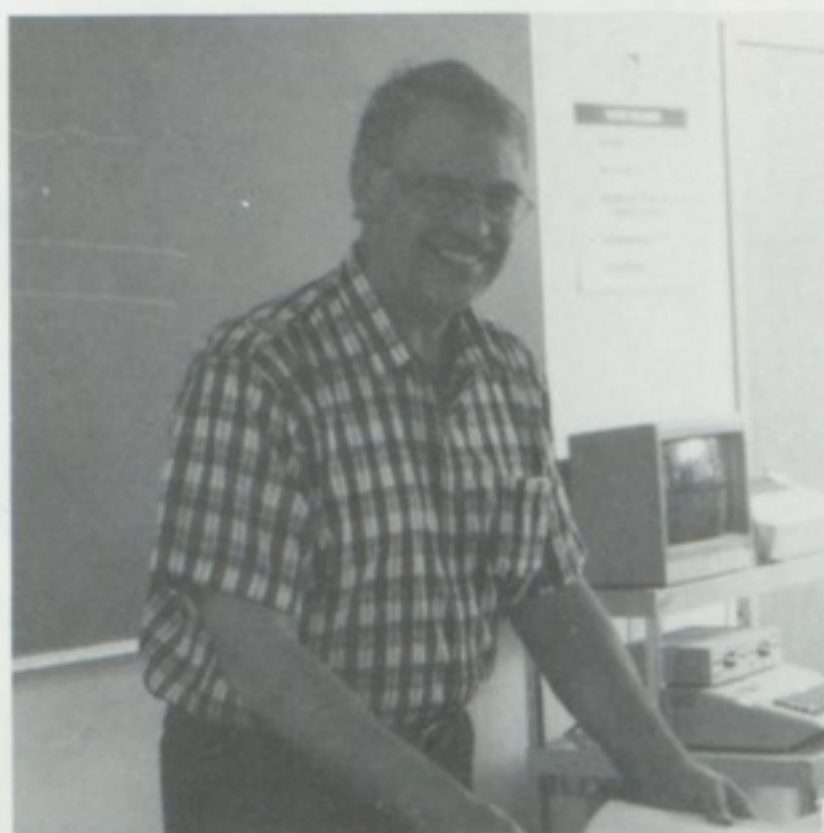

There's only one thing to say about the math teachers: they have problems. But they're not bad problems. They give students problems ranging from basic math to AP Calculus. A new integrated program designed to help students learn by answering questions about what math can be used for, and so far it seems to be a success. The math classes at DHS are designed to allow students to work at their own pace. Hopefully, by doing this, students will improve their mathematical abilities.

KEEPING KIDS OFF DRUGS

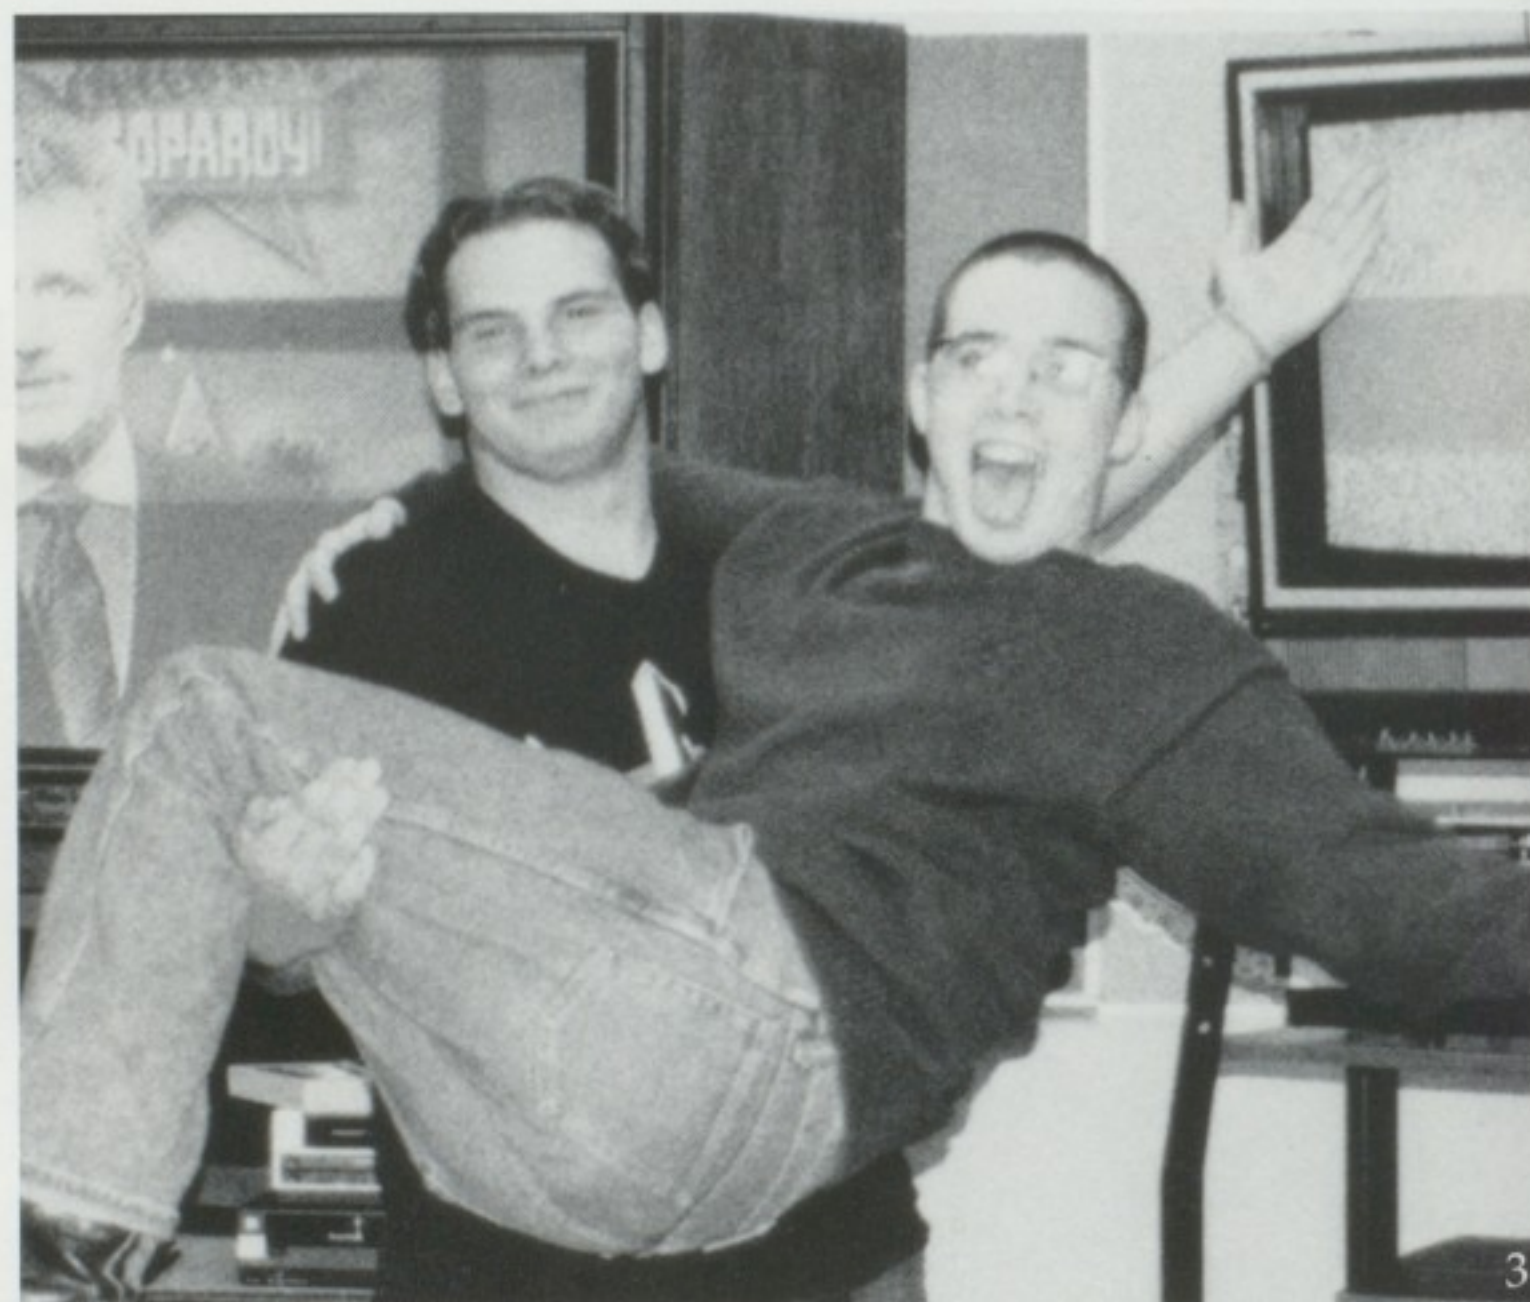

The Dearborn Police D.A.R.E. youth role model program is a selective program which picks high school students from all three high schools in Dearborn to accompany youth officers to Dearborn elementary schools. The program teaches young people about the effects of drugs.

The D.A.R.E. elementary schools students will ask the high school role models questions. For example, "Were you ever offered drugs?" or, "Did you ever take drugs?" The role model will come up with a reply on how drugs are bad for you and how they damage your life!

The students learn to create videos by shooting projects such as music videos or documentaries. The program is taught by Mr. Gibb and Mr. Doelle. Many students get a chance to win scholarships to attend special video schools including the School of Visual Arts in New York. The video program is open to all students in Dearborn.

LIGHTS! CAMERA! ACTION!

This year the performing arts department worked very hard. In the fall of 1996 they put on "Son of Scenes that Happen". This was their third annual collage of scenes. They also put on the comedy "See how they Run". In the spring the performing arts department also presented the musical "West Side Story". The plays are always a great success, and with Mr. Viscomi as director, and choreographer, how could you go wrong?

THE THREE R'S

The Ecology club is made up of several dedicated lovers of the Earth. They raise money all year round to buy a piece of the rainforest or donate it to another Earth conscious organization. CREATIVITY GOES A LONG WAY

Muse, DHS's literary magazine, is designed to allow students and staff to show their creativity by publishing their works. The muse staff meets every Tuesday after school to select and edit manuscripts and to make layouts for the magazine, which is sold every spring. This club is lead by Mr. Ossenmacher and a group of creative students.

ART BEHIND THE IMAGINATION

The Art Club is a student run club, supported by Mr. Wells. They meet every Tuesday in room L1 at 2:30. The club is headed by president, Chrissy Ray. Their first project is a mural they would like to have placed in E-hall near the drinking fountain. The mural will be a reproduction of the painting "Blue Horse" by Franz Marc. Their goal is to try to give the school a sense of artist value and personality.

SHOPPING AT DHS

A crazy, exciting new staff brought a new image to the Pioneer Outpost this year. In addition to the fabulous candy and cool school products, they have also added delicious cookies, fresh baked bagels, and a variety of chips to the menu. Mr. Teets has been the supervisor to the outpost for two years now. There is also a variety of music played, while people shop, for their enjoyment. "The Outpost gives students a real taste of a student run business," says senior Amanda Henning. There are many positions in the outpost that the students get to explore such as security, candy sales, and bagel and cookie maker. The students set a friendly atmosphere in the outpost to make you feel welcome. "It's great to have around. They have a lot to offer," says senior Krissy Kachaturoff. The Pioneer Outpost has proved to be very enjoyable.

ARGUING YOUR CASE

Debate is a formal, logical, and well planned method of arguing. Two teams, affirmative and negative, take opposing views and hope for the best as a judge decides who presented their case best. The dedication of Dearborn High's debaters paid off for the team. The topic of this years debate team was that the government should create a program to help stop juvenile crime. All of their hard work and preparation is shown in the many awards that the debate team has won.

EXPRESSING YOURSELF

Forensics class is an excellent way to express yourself in forms of speaking. Forensics students read monologues, prose and poetry, give sales presentations, and informative and persuasive speeches. Skills combined are storytelling, dramatic interpretation, and interpretive reading so the students have a chance to familiarize themselves in each area.

PARENTS WORKING TOGETHER

The Dearborn High Parent Faculty Student Association is a program organized to have the parents, staff, and students of DHS work together with the community regarding the education of the students. This program also encourages support from the families for extracurricular and academic activities which are a big part of a student's education.

(above and right) - Members of the Parent Faculty Students Association and interested parents meet to discuss ways to enhance the learning and social environment of Dearborn High School.

KODAK MOMENTS

Photo club is an after school activity for many students to enjoy. Basically, the students learn to develop film; and then put that film on paper in the dark room. Students are able to experience different ways of taking and developing pictures. With the help of their sponsor, Mr. Karmann, they are able to experience these challenges, and possibly create a life-long passion in the process.

CHECKMATE

The Dearborn High Chess club is made up of five students and their instructor Mr. Tom Collins. They meet every Tuesday and Thursday after school to compete against each other. The game is about challenging the mind and creating many different strategies to achieve victory.

CREATIVE PEOPLE

Have you ever wanted your writings or drawings published for all to read and enjoy? Well that is the purpose of Muse. The students in the Muse Club meet every Tuesday with their sponsor, Mr. Ossenmacher. These students have to be able to use their imaginative minds in creating written or artistic entries, as well as judging others. At their meetings the students put together and edit their literary magazine, and debate which entries should be included in the 1997 Muse.

They'll Never Forget

...their freshman first encounters. Was that Mr. Rockwell yelling? Why do those upperclassmen give us such apathetic looks like we were sacrificial lambs?

...and in later years recall having seats changed for excessive talking, a scary ride on the hood of a blue Lincoln, exile to a corner of Benison's room for chewing gum, acid and bleach burns on hands in chem class, standing in the rain wondering who set the smoke bomb, sitting in the whipping wind on freezing bleachers as our football team annihilates another and undefeated; being overwhelmed by strong smells in the daily race to the cafeteria, the daily wave of students flooding down the halls, Drafting II's final, washing tables in Mr. Kutney's room, ...and seniorities gives way to glazed distant looks out windows. ...and our hearts will always often search and learn for Linda, Hanan, Chris, Frank, and Pete.

The Observer staff meets everyday for a one hour class. The staff comes out with a total of ten newspapers a year, five each semester.

SPORTS

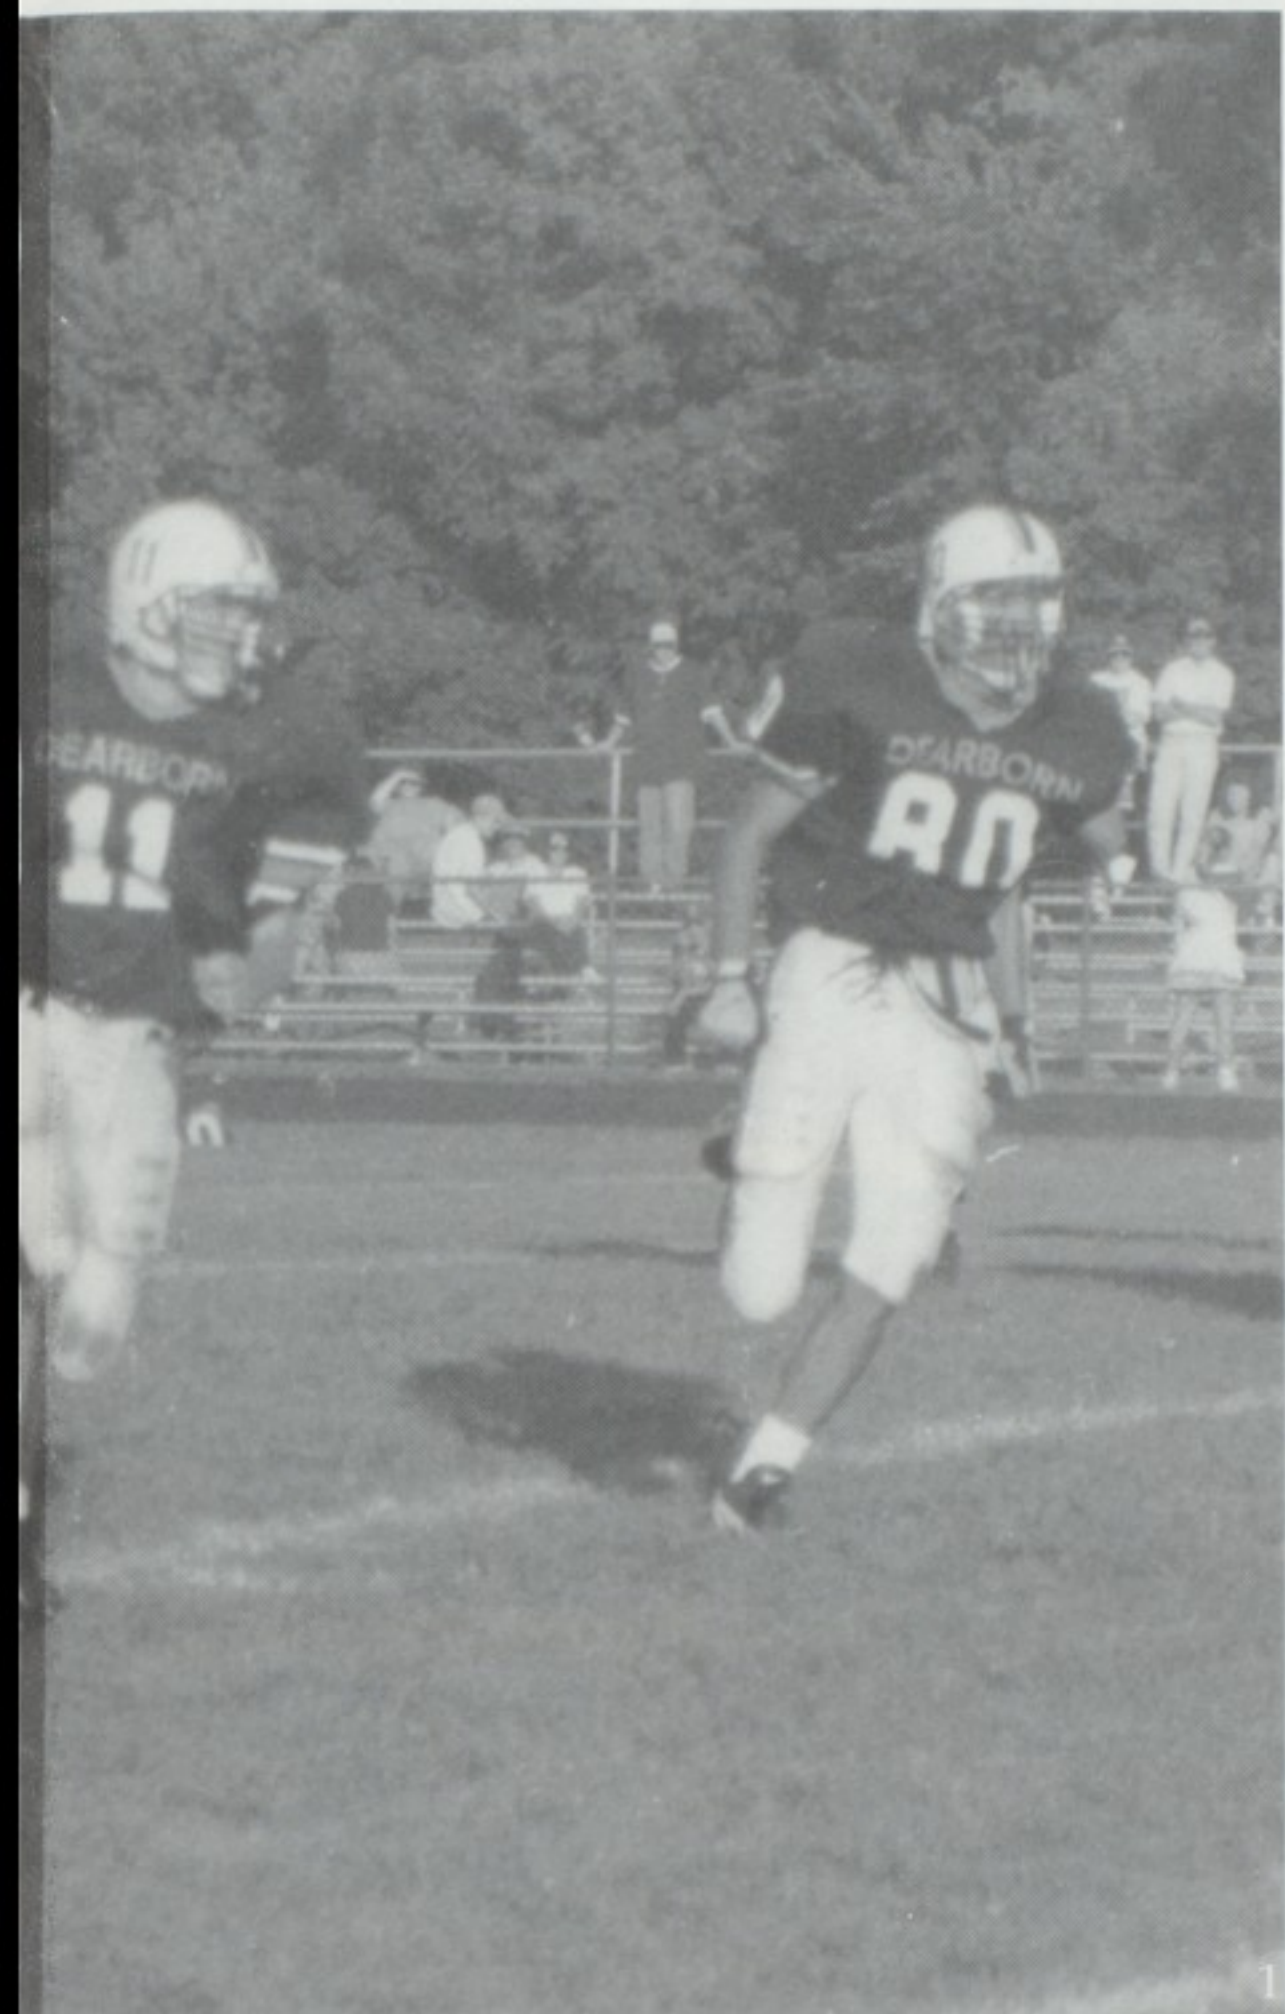

The DHS football team started the 1996 season right where they left off with three straight shutouts against Livonia Churchill, Taylor Kennedy, and Garden City. Redford Union was the first team in 12 regular season games to score on the Pioneers and they consequently felt the wrath of the boneyard. Next the Pioneers traveled to cross town rival Edsel Ford and lost in overtime. Coming off a loss, the Pioneers beat a real tough Ann Arbor Pioneer team, proving that there is only room for one Pioneer. In the next game, mental mistakes plagued the Pioneers in a 6-7 loss. The Pioneers destroyed the last two teams: Southgate 21-7 and Woodhaven 20-0 in the Dome. Senior captain Ryan Wilkinson said, "Although our record didn't hold up to Dearborn's high standards, it was still a great year, and we accomplished a lot of things."

"We had a strong year, I would've liked to win districts, but it was still a great season," stated senior Krissy Kachaturoff.

This pretty much sums up the 1996 Girls Basketball team's season. They finished second in the league (10-4).

The Pioneer attack was tough all year, led by the unstoppable senior, Krissy Kachaturoff. She was side-kicked by constant three point threat, senior Janet Kalbfleisch, and junior Andrea Juszcyk's ever present outside shot. Added to this outstanding trio was senior point guard Nikki Platte's fabulous passing, and junior Marcy Ramm's tough defense. Combine that with Kristin Szajnecki and Heather Konstantopulous's aggressive rebounding and you have a great line-up that not many teams were ready to face.

It was a remarkable season for a team with only four returning varsity players, only two of whom were starters last year. They played hard every minute of every game, and it paid off.

Coach Gross stated, "This was probably the most challenging season in three or four years. I think we got into some situations that gave us good experience for next year."

Comeback Kids Capture League!

Worst to first was the story of the year. Coming off a 3-7-7 record last season the pioneers won the Mega Red title with an 8-4-5 record. "This year we played together as a team which is what gave us the edge over teams in the past. Our success was due largely to the leadership of our seniors," said captain John Allevato. "We had a great year!"

2. Dearborn poses for a picture after clinching the league championship.
3. Senior Andrew Maltese chases down the ball.

"THEY WERE A YOUNG TEAM THAT SHOWED TREMENDOUS GROWTH THROUGHOUT THE SEASON."

-- HEAD COACH CINDY THOMAS (LEFT)

The 1996 Girls Varsity Fieldhockey team didn't have the best season in Dearborn High's history, but they did try their best and never gave up. There were only six returning varsity players from last year, nine juniors and three sophomores, making the team very young and inexperienced. With the help of two new coaches, the players managed to score a few times and even win a game, making their record 1 and 10. The team was faced with many injuries causing position changes and a loss of four players.

Running Strong

This year's girls cross country team was a huge success. The team was led by senior tri-captains Val Kedzo, Laura Muskett, and Taline Hagopian. The team was undefeated in dual meets, and did well in the invitational. They finished third in the City Meet at Ford Field and almost beat Divine Child. They dominated in the Mega White Meet finishing first, way ahead of the rest. "We beat our biggest rival Lincoln Park by a whole lot. I was really proud of the whole team," said Kedzo. The team finished fifth at the Regional Meet, qualifying Val Kedzo, Sarah Yagley, and Candace Worrell for the State Meet. The team was one place away from qualifying as a team. "I was upset about not making the State Meet, but I was happy for Sarah, Candice and especially Val, running a 19:46," said Laura Muskett. The State Meet runners ran well, placing 41, 44, and 64. "I was really happy with the way the season turned out and with the size of our team," said Coach Beth Dunleavy.

DIFFERENT STROKES

This year the girls' swim team finished the season with a 4-6 record overall, and a 3-2 record in the league. After defeating Andover in their first meet of the season, the Pioneers lost three meets in a row. They fought back to beat arch rival Edsel Ford. The team placed third at the Trenton Relays. The swimmers also sent six girls to states: senior Rosie Bak, juniors Laura Smith and Andrea Monroe, and sophomore Hayley Burns, with seniors Gretchen Neumeyer and Devon Follbaum as alternates. The girls worked hard and came out alright in the end. "This season was definitely a rebuilding year for us," said coach Brian Savalox. "But, we were still able to produce tremendous results at both the league championships and state championships...the future looks bright."

Great Success on the Court

The 1996 girls varsity tennis team had a great year. They ended up winning all city, league, all mega league, and coming second in their region. They went to states in Midland and came home with four points, the most they've had in a couple years. They had six returning seniors that led the team to another great Dearborn High finish. The seniors will now be leaving after having made a tremendous impact on the Dearborn High Tennis program. They will be leaving a legacy to be followed by the underclassmen. Senior co-captains Amy Barber and Suzanne Seligman say, "We wish the underclassmen the best of luck in the coming years."

The Dearborn Varsity Basketball team had a tough season this year. They moved up to the Mega Red Division and definitely noticed the change in competition. They faced powers like River Rouge and Wayne, but showed that they had what it took to compete at this level.

The team was lead by co-captains Brodie Killian and Ryan Wilkinson. A lot of ball handling responsibility was also given to Colin Wilkinson and C.J. Kreger, who both are only sophomores. Senior Christian Bockmann and juniors Garrett Simpson and Jason Herrick helped out Killian inside, banging the boards and following the shots up. Dearborn posted a good record for this tough season and are looking forward to a big season next year with so many young returners.

This season the wrestling team finished with an overall record of 3-17. This year's team was very young with only three seniors and no juniors. Throughout the year the team struggled to fill the many voids in the lineup. This year's captains were senior Ahmed Elsanhoury, senior Steve Hartley, sophomore Mike Alvarado, and senior Tom LaRose who was sidelined the second half of the season with a shoulder injury. This season's high point was a home dual meet win against rival Edsel Ford. With so many young wrestlers returning, next season looks to be very promising.

"We had a good season and I'm looking forward to next year." - Coach Kendall

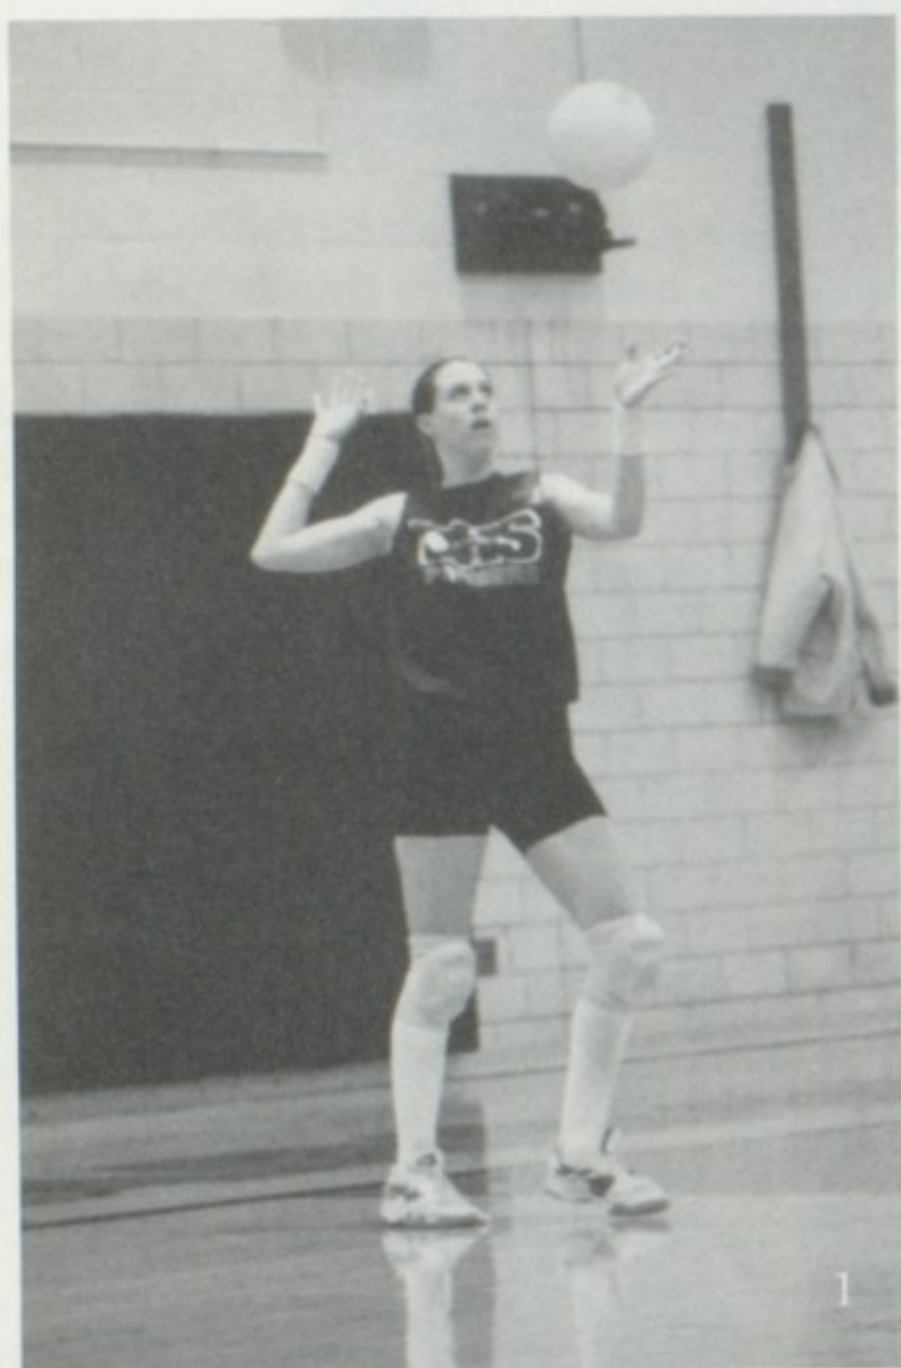

Right now the swimmers can be identified from the rest of the school by their "Mr. Clean" shaved heads. Previously, you could tell who was a swimmer by their messed up hair and tired faces from their morning practices. This year the captains are Dan Linsell, Pete Garrison, Dikron Callan and Jake Lande. Jake is the "Lone Ranger" of diving, being the only one. Dan "paced to the states" in the 500. Pete could always be known at a swim meet by his deep voice cheering on his teammates, and Dikran was always in need of a hair cut. They keep the team in line and pass on the swimming tradition. This year the swimmers gave a big surprise during one of the quarters of a home B-ball game. The freshmen sang the fight song to the crowd in nothing but their speedos. They got more cheers than the gym had felt all year. The team sports a record of 5 wins and 9 losses so far, and a 4 and 1 record in the league.

ATTITUDE IS EVERYTHING

Despite the loss of many seniors and starters from last year's team, the Dearborn High volleyball team proved that rebuilding for the players lost only takes practice. They repeated the season as Mega League Champs and District Champs. The team was lead by senior captains Jenny Slabaugh and Patty Hasse, and junior captain Katie Kowalski. The team was also led by seniors Val Kedzo and Gretchen Neumeyer. "This team was very close-knit," said senior Val Kedzo. "We played hard together and had fun at the same time."

The 1997 season was the first in what is sure to be a great tradition in Dearborn sports. This year's Varsity Hockey team consisted of players from the three Dearborn high schools: Dearborn, Edsel Ford, and Fordson. The Pioneers were led by Coach Rob Creamer, and his two senior captions Mike Kroll and Adam Potter. The Pioneers won their first ever home game to a sold out arena. The Pioneers played a great season for a first year program. Their overall record was 12-3-5 with most of their wins coming on the road. Senior Mike Kroll said, "Coach Creamer and his staff did a great job this year. They got a group of guys who barely knew each other to play like they have been playing together for years." The season ended in regionals where Dearborn played Trenton. The game was a lot closer than the score showed; Dearborn lost 6-2. For Dearborn, a first year program, to even stay with Trenton, ranked 3rd in the nation, was a win in itself.

MICHAEL JOHNSON

1. The New York Yankees brought the World Championship back to the Bronx. 2. Desmond Howard of the Green Bay Packers made Super Bowl history with his 99-yard kick off return in Super Bowl XXXI. 3. Michael Johnson won an unprecedented double win in the Centennial Summer Olympics in Atlanta. 4. Kerri Strug became Olympic heroine with her gold medal vault on a bad ankle. 5. Tragedy strikes the Olympics with a deadly explosion in Centennial Olympic Park.

MUSIC

1. Dave Matthews, the lead singer of the quintet, Dave Matthews Band, raises his brow as he sings their smash hit "Too Much". 2. The Fugees hit the charts with their best-selling album "The Score", with it's hit song "Killing Me Softly." 3. The Marcarena hit all charts--from Latin to pop- and enlivened dance floors all over the world. 4. Alanis Morissette has talent that seems to know no limit. Her debut album, "Jagged Little Pill" contains her hit single "You Oughta Know," a fiery, graphic rant at a former boyfriend.

Three years ago Jewel was a fledging singer-songwriter living on carrots and peanut butter sandwiches. Now, the 22-year-old performer is a smashing success.

Hyped as the most popular band since the Beatles, Oasis is a million-selling rock band. Their first two albums sold 20 million copies.

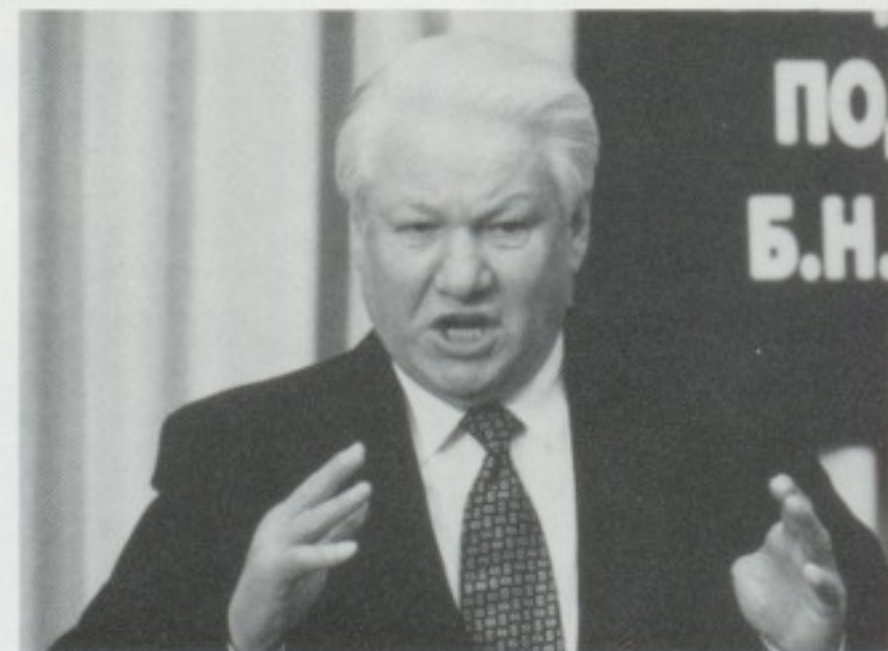

R & B pop singer, Toni Braxton hit the charts about three years ago. Her latest album "Secrets" has the firepower to carry Toni to the top.

World News

1. One month after TWA Flight 800 exploded in midair in the summer of 1996, investigators were still searching for a cause. The Boeing 747 jumbo jet plunged into the Atlantic ocean off the coast of Long Island, N.Y., just minutes after taking off from Kennedy Airport for Paris. All 230 people on board were killed. The theories ranged from a mechanical failure to a bomb, from a exploded fuel tank to a missile.

2. Hong Kong was a British colony on the brink of great change in 1997. Great Britain's lease on Hong Kong was set to expire on July 1, 1997. After 100 years of British rule, British administration and jurisdiction over Hong Kong will end and it will become a Special Administrative Region of the People's Republic of China.

3. Peace in the Middle East remained unstable as the school year began. A crisis erupted after Israel opened a new exit in a tunnel alongside a plateau, raising suspicious among Muslims that the Israeli were seeking to change the religious balance in Jerusalem's Old City. Demonstrations followed where nearly 100 people were killed.

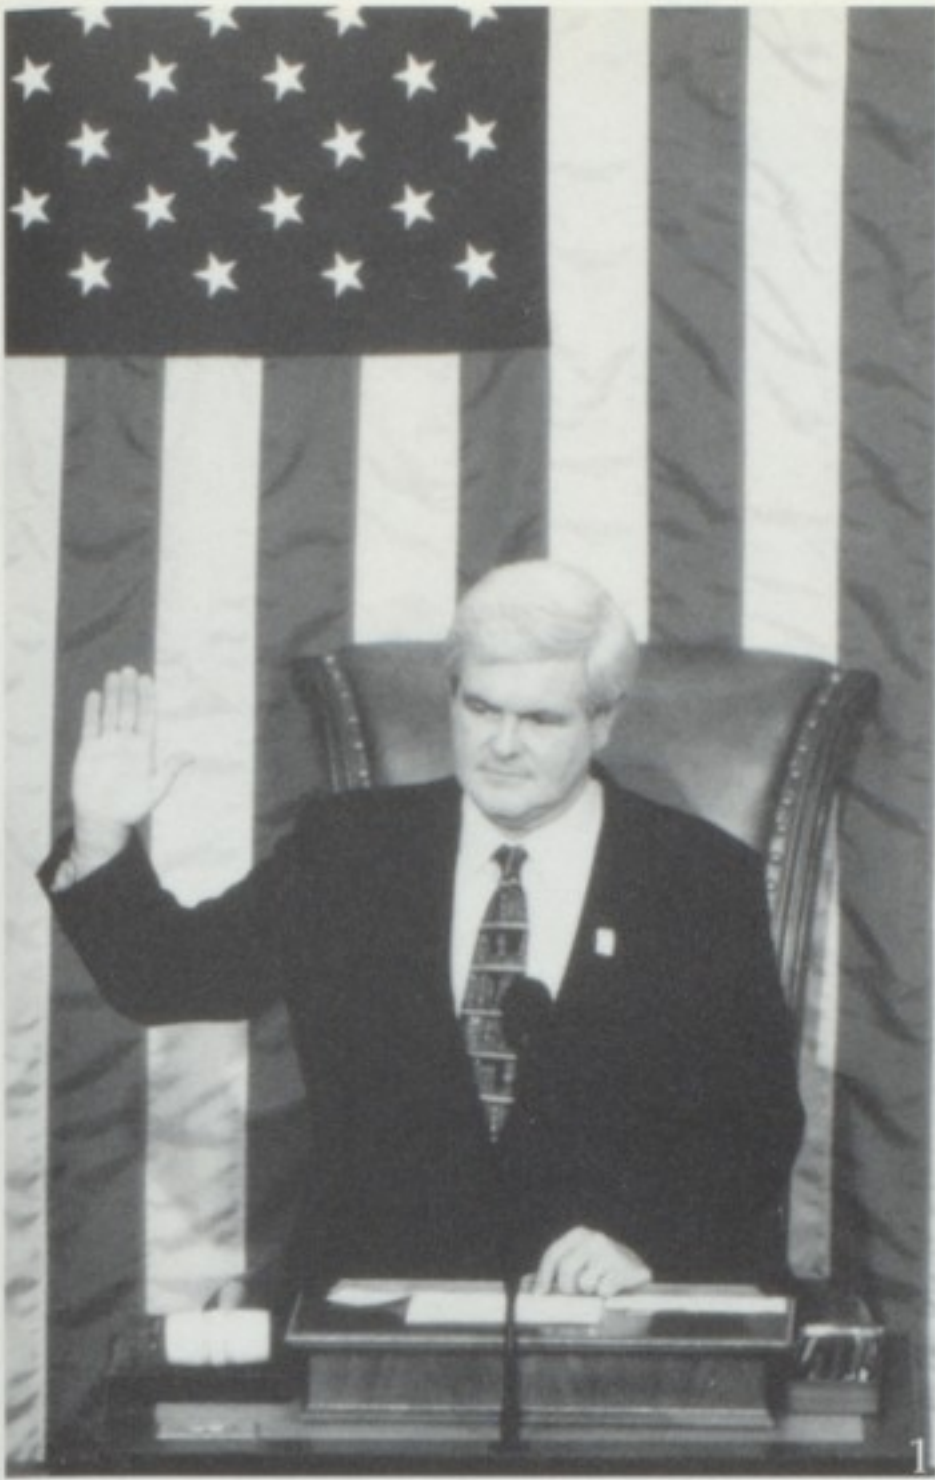

Benjamin Netanyahu, the 47 year old leader of the Likud political party, was elected Prime Minister of Israel. He declared that his government would honor the existing agreements on peace and security issues and would continue to negotiate toward a final peace agreement in the Middle East.

For the first time since the 1993 Gulf War, the American military took action against Iraq and its leader, Saddam Hussein. Iraq sent its troops into the Kurdish enclave in the northern Iraq, and in retaliation, the United States launched air attacks against Hussein's southern air defenses.

Boris Yeltsin was re-elected President of Russia and pledged to continue the reforms he began five years ago. However, the 65-year-old president began immediately to show the signs of severe heart problems. It was announced that he had at least two heart attacks in the past two years and open-heart surgery was considered the only solution to his life-threatening disease.

People in the News

1. For the first time in history, the House of Representatives voted to reprimand and fine its speaker for bringing discredit on the House. The House Ethics Committee ruled that House Speaker Newt Gingrich was involved in using tax-exempt foundation money for his political ends.

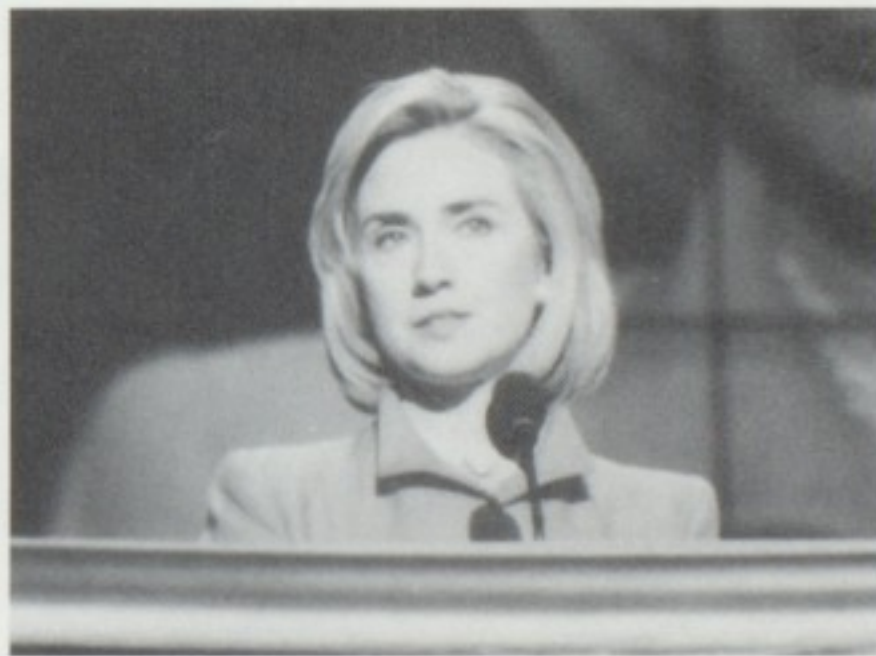

2. President Bill Clinton and Vice President Al Gore maintained strong and consistent lead in the polls during their campaign for four more years in the White House. The Democratic team campaigned on a "four more years" platform that featured a strong economy and a lower crime rate. During his first term, Clinton formed a very close partnership with Gore, who served as confidant and adviser.

3. Shannon Lucid is a new record holder. The 53-year-old shuttle astronaut veteran set the women's record for consecutive days in orbit - - 188 - - beating Russian cosmonaut Elena Kondakova. She has also spent 223 days in orbit since 1995, making her America's most experience astronaut.

Bob Dole retired after 35 years in Congress to devote himself full time to running for President. At the age of 73, the former senator from Kansas would be the oldest person elected to a first term as president. As his running mate he picked Jack Kemp, an active Republican and former cabinet member. Dole and Kemp promised to give President Clinton a "run for his money".

Hillary Rodham Clinton shied away from confrontation. The 48-year-old First Lady championed the massive health-care reform plan but it never became law. Nevertheless, Mrs. Clinton pushed ahead and had a long history of work on children's issues. She buried the image of a super-activist First Lady and became a model of traditional political spousehood.

Ross Perot, who four years earlier won more than any other independent Presidential candidate in 80 years, launched a campaign as the 1996 nominee of the Reform Party.

The 66-year old Texas billionaire was a less formidable figure than he was in 1994, but a very vocal candidate nevertheless.
